My dear Baldwin:-

I am herewith enclosing a copy of a letter that I have just received from Benj. J. Salmon, 4166 Knox Court, Denver, Colo., also a copy of a clipping from the Denver Times of February 12th, all of which is self-explanatory.

Is there anything that your organization can do in this matter? He has confidence in his attorneys but what he needs is financial assistance. Can you do anything for him in that respect?

I informed him that I had written to you and that he would most likely hear from you within the next week or so. Will you please write him advising what can be done? Also please let me know what disposition you have made of this case.

With best wishes, I remain

Very truly yours,

Adolph Germer

Executive Secretary.
